1. How do I access the PKE courses?

Navigate to https://goisuzu.net/

Note that Golsuzu works best with Chrome or Firefox. IE 11 and Edge are not supported. Golsuzu is mobile-friendly.

- Enter your log-in credentials, and then select the Log-in button.
- Select Remember Me to avoid having to type in your credentials in the future.
- If this is your first time entering the system, select the Register Link.
- If you don't remember your Username or Password, select that link to get a reminder.

You will arrive at the Golsuzu home page.

- If you only see the first row of icons, select the See All text to expand the list.
- Select the PKEs icon to launch the 2025 PKE course landing page.
- 2. What are Categories and how do I use them?

The 2025 PKE site has three categories of courses:

2025 PKEs:

These are the Product Knowledge Examinations required for 2025 Isuzu Winners' Circle eligibility. You must pass all six courses on or before September 30, 2025, to be eligible for 2025 Isuzu Winners' Circle travel, merchandise and recognition awards.

Additional Courses:

These short courses cover key concepts and terms that will help you expand your Isuzu knowledge. They are not Product Knowledge Examinations, and you will not receive Winner's Circle Credit for them. You may track your scores and print certificates when you pass them.

Legacy PKEs:

This is our library of past Product Knowledge Examinations. You may take them for training purposes or as a refresher. You do not receive Winners' Circle credit for passing Legacy PKEs, but you may print your certificate when you complete each course, and you can track your scores.

4. Can I go directly to the quiz if I already understand a topic?

No, the quizzes are locked until you complete the video at least one time. The videos are short and packed with useful information you may not know, and your customers will appreciate.

5. I launched the course, but the video doesn't play.

Make sure your browser is either Chrome or Firefox. IE 11 and Edge are not supported. Golsuzu is mobile-friendly, but your unique devices may have difficulty with videos. If you're taking the course on a mobile device and encounter issues, try logging in to a computer instead.

6. Can I stop the course and return to my saved place later?

Bookmarking is automatic in these courses. If you want to leave the course:

• Select the Exit activity button

When you return, you'll be asked if you want to resume where you left off.

7. Can I take the quizzes as many times as I need?

Yes. All the courses allow you to retake tests and improve your score as often as you like.

8. Can I change my answers before I submit a quiz?

No. You can change your answer on any question screen before you select Submit. Once you hit Submit the answer is recorded.

However, you can retake any of the quizzes using the Retry button to improve your score.

9. I finished the course, and it says I did not pass. What should I do now?

You can retake the entire set of PKE questions right away, or later if you prefer to wait. In either case, you must select the Restart button to reset all of your answers.

The course will return to the Welcome Page, but all topics will be unlocked on the side Menu. You can choose whether you want to refresh your memory by viewing the content screens again, or whether you want to go right to the PKE questions and try them again.

IMPORTANT: On a retake, your previous answers are cleared. You cannot just take one set of questions. You must answer all PKE questions to get a passing score.

10. How do I get a Certificate of Completion?

When you've completed all topics and quizzes with a score of 80% or higher as a cumulative total, you will be eligible to download a Certificate of Completion. Fill in your first and last name and then select the Certificate button.
